

# Cassidy Krause

Cassidy Krause is in her second year of the math Ph.D. program at the University of Kansas. Her research interests include numerical analysis and dynamical systems. In particular, she is interested in weather and climate modeling. She received a B.S. in mathematics from the University of Wisconsin-Platteville in 2015.

Krause is a Self Graduate Fellow. She also serves as secretary of the Math Graduate Student Organization and teaches Sunday School at her church. In her free time, she enjoys playing the flute and knitting with her cat.
